## Experiences

---

### Aston Bond LLP | Sep 2023 – Aug 2024 | Corporate/Commercial Paralegal

-Proficient in Microsoft Word, Outlook, and Excel, using these tools to conduct comprehensive legal research and analysis across commercial and civil matters, supporting 25+ active cases with accurate, timely reports and insights

-Drafted, reviewed, and edited 100+ legal documents, including contracts, pleadings, and regulatory materials, with an error rate of less than 2%

-Liaised with 15+ clients and counsel to coordinate case activities and ensure 100% on time delivery of legal services

-Leveraged legal tech tools such as DocuSign to streamline e-signature processes, reducing turnaround times for client approvals by 20%

## Projects

---

### Supreme Court Ai

- Independently designed an AI-assisted legal research tool to transcribe and summarise over 50 hours of UK Supreme Court judgments, reducing case law review time by approximately 70%, demonstrating proactive problem-solving and rapid technical adaptability

- Enhanced accessibility of legal decisions for non-technical stakeholders by developing a user-friendly interface, resulting in 100% of pilot users reporting improved efficiency and increased engagement

-Completing 2+ professional courses in AI and legal tech to enhance legal and technical expertise.

## Languages

---

English: Fluent | Spanish: Native/Fluent

## Extracurricular Activities

---

### Sirius Space Talks | June 2024 (1 Week) | Speaker

- Presented innovative ideas on space law at an industry conference, engaging with leaders from organisations like Thales Alenia Space and Airbus to explore legal frameworks for emerging technologies
- Facilitated 3+ high impact discussions on space law and technology, driving actionable insights that influenced policy recommendations and industry best practices

### Climbing & Mountaineering Society | 2021-2023 | Climbing Officer

- Mentored 15+ new members in climbing and mountaineering techniques, resulting in a 20% increase in member retention across two years
- Organised 5+ large-scale events and expeditions involving 10–30 participants, coordinating logistics, safety planning, and group activities with zero major incidents reported
- Built strong team morale and fostered collaboration under pressure, contributing to a 25% growth in society membership during tenure
